Lawrence Area

**FARM
GUIDE**

Come Experience Local Farms!

The Lawrence area offers an abundance of sights, tastes, and tradition all in one great place! Discover specialized nurseries, unique artisans, Christmas trees & pumpkin patches, herbs & flowers, farm animals, and much more in our area.

Browse through the guide, plan outings for a few hours, a day or weekend. Find fun and educational activities every season for your family, school, social group or business.

Remember, the true champion of all this bounty is the family farmer. Your support helps to ensure the preservation of this lifestyle which benefits us all. When you plan your farm visit, please note and respect published hours for farm visits.

***Thank you for supporting
our member farms!***

Meet your friends
at the
Downtown Lawrence
Farmers' Market

You can buy fresh and local 3 days a week, at the Downtown Lawrence Farmers' Market!

Buying directly from farmers turns food shopping into a social event. The market allows shoppers to visit with vendors who have a personal commitment to the produce and products they sell.

Perhaps one of the best things about the market is the fun atmosphere. The festive air is a welcome break from the grocery store rut. So throw the boring list

out the window and dive into an array of new tastes, smells and experiences at the Downtown Lawrence Farmers' Market!

2005

**Downtown Lawrence
Farmers' Market**

1100 block of Vermont

Tuesdays & Thursdays 4 - 6:30 pm

Saturdays 6:30 - 10:30 am

April 30 - November 12

Plan a day trip
to a local
farm!

Use this Farm Guide
to find your way to
fresh food and

A Little Bit of Garden Humor...

1. What are strawberries when they are sad?
2. What tree is always unhappy?
3. Everyone has these on their face. What are they?
4. What does the letter "A" have in common with a flower?
5. What do you get if you divide the circumference of a pumpkin by its diameter?
6. If April showers bring May flowers, what do May flowers bring?
7. Why is a barn so noisy?
8. What do you call a mushroom who buys everyone drinks and is the life of the party?

Answers: 1. Blueberries, 2. The blue spruce, 3. Tulips, 4. They both have bees coming after them, 5. Pumpkin pie, 6. All the cows have horns, 8. A fun-gi.

ANIMALS

Lawrence Composts!

Since 1993, yard trimmings have been collected separately from trash and composted rather than sent to the landfill. Separate collection begins the first Monday in March and continues through the Monday before Christmas. The compost is used by both the City (flower beds, golf course) and residents (home gardens, lawns).

- Place materials in curbside compost bin by 6:00 a.m.
- If using a product containing Claytonia, mulch-area clippings

YES! NO!

| 4 quarts (liquid) = 1 gallon | 1 cord (firewood) = 128 cubic feet |

COMPOSTING IS CHEAP, SAVES RESOURCES, AND BUILDS THE SOIL.

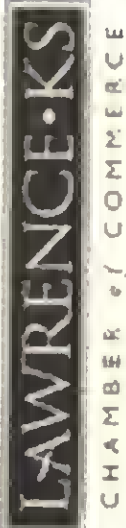

The City of Lawrence has collected yard trimmings separately from trash since 1993. By the end of 2004, this program had processed more than 90,000 tons of yard trimmings into compost.

Compost builds soil structure into a more spongy consistency that resists erosion, is better aerated, and yet retains moisture. At the same time, compost slowly releases nutrients through its organic matter and microbial activity.

Compost may be mixed into the soil as an amendment (recommended rate: no more than 1.5 inches tilled to a depth of 6"), potting soil mix (no more than 25% compost in a potting soil blend), used as a mulch around woody plants, or as a topdressing for lawns.

No occupation is so delightful to me as the culture of the earth, no culture comparable to that of the garden ...

But though an old man, I am but a young gardener.

- Thomas Jefferson, Garden Book, 1811
